To renew online:

1. Go to the Board's web site at <http://dhmh.maryland.gov/botp/>. Click "**Renew a License**" under Popular Links from the Home Page.
2. If you remember your username and password from last year, skip to step #4. If not, you are required to register the first time you log in. Press the **Register** button from the Login page. Enter your last name and the 8-digit registration code. The code can be found on the mailing label on the renewal postcard that was mailed to you in April. Press **search**.
3. The registration page will now display your demographic information. Page down to the bottom of the page and select a user id and password. Retype your password. If successful, please click **Login**.
4. From the User Login Screen:
 - a. Enter your username.
 - b. Tab and enter the password you selected. Click Login. (If you forget your username and password just click the register button again and follow steps 2 and 3 above.)

You will be locked out after 3 unsuccessful attempts to login. Please call the office at 410-402-8556 for assistance.

5. The Licensing Home Page will display. To renew a license, click on **Renew License** on the left-hand side of the page in the navigational menu. Your licensure information will be displayed on the next screen. Click **Continue** under the "Renewable License" section.
6. Next, renewal information regarding licensure fees and contact information will be shown. Page down to the end of the screen and select "**Click here to begin renewal process**".

7. The next screen allows you the opportunity to update your demographic information. Please be sure that all required fields are populated. **Please verify your email address.** You must supply an email address in order to use the online system. Don't forget to click the **"Update"** button at the bottom of the page.
8. The renewal questions screen is next. Please answer **all** the questions by choosing the respective answer from the drop-down menus. Choose Not Applicable whenever warranted. The questions are divided into three sections: Continuing Competency Requirement Questions, Character and Fitness Questions, Health Occupations Article and Area of Practice/Specialty. **If you answer Yes to any of the "Character and Fitness" questions, you will need to supply additional information to the Board. You can upload your explanation later in the renewal application in the "Attach Documents" section.**

Select a status of Active or Inactive. Inactive licensees who want to retain their inactive status or active licensees who wish to go inactive will select "Inactive". All other licensees will select "Active". Inactive licensees who wish to reactivate must contact the Board office at 410-402-8556 for an application and reactivation instructions.

After reading and agreeing with the Attestation section, click the **"Submit"** button at the end of the screen.

Note: You can verify your NBCOT certification status by visiting.
<https://my.nbcot.org/OnlineCredentialVerification/>

9. The Survey screen is next. Please make a selection using the drop down options. Please press Submit to mark the file as completed.
10. The Attach Documents screen is next. If you answered Yes to any of the "Character and Fitness" questions earlier, you must upload an explanation. (This includes documentation for name changes if they were not previously reported to the Board.) Select "Choose File" and identify the scanned document to upload. Select "Upload Document" and use the drop down to describe the type of documentation you are sending. Click Submit. If you do not have documentation to send to the Board, simply press "Submit" to mark the page as completed.
11. The Application Summary page will follow. At this time, you have an opportunity to print a copy of the completed renewal form for your records. Click on the **"Printer"** button in your browser to print a copy of your application. After you have verified your information, you can click **"Pay Fees"** button.

If the Pay Fees button is not available, please make sure each of the pages is checked off on the navigational menu on the left hand side. The system will not allow you to pay fees until the first four pages are checked off in the navigation menu. If one of the pages is not checked, please click on the page in the menu to go back and complete that page.
12. The biennial renewal rate is \$290 for occupational therapists, \$200 for occupational therapy assistants and \$50 for electively non-renewed licensees (inactive). On the payment page, enter your name in the billing address section and again in the credit card information along with your credit card number and expiration date. Be sure to update the expiration date as the system will default to 01/2017. Press the Submit button once. Multiple clicks on the Submit button may result in multiple charges to your credit card.

13. You will receive a confirmation page that includes a transaction number. Print this confirmation page and retain for your records. The confirmation page will serve as your receipt. **Once you exit the system, you cannot print a receipt.** You will not receive a license document when you renew since the Board went green 4 years ago. You can check the Board's 24/7 online verification page (<https://mdbot.mylicense.com/verification/>) to confirm the completion of your renewal application and your updated expiration date. In addition, the Board will be sending a confirmation email once the renewal has been approved in our system. Please allow 72 hours for processing. If you do not receive an email within that timeframe, please call Lauren Murray at 410-402-8556.

IMPORTANT NOTICE:

1. You may only renew online between May 1st and June 30th. **Please note if the Board receives an online renewal application or payment by check between June 16th and June 30th, a \$25 fee in addition to the renewal fee is due. Renewals received after June 15th will not be processed until the late fee is received. See #2 for details.**
2. If the Board receives a renewal application or payment by check between June 16th and June 30th, a late fee of \$25 is due, in addition to the renewal fee. If an OT or OTA does not renew by June 30th, the license status is considered expired. A licensee practicing without an active license is subject to disciplinary action. **In addition, OTs and OTAs who have not completed the entire application process by June 30th may not renew, but are instead required to pay a license reinstatement fee and complete the license reinstatement process.**
3. **If you are unable to complete your application online for any reason, please contact our web site at <http://dhmh.maryland.gov/botp/Pages/forms.aspx> to download a hard copy of the license renewal form for the 2017 cycle. Your completed application must be postmarked before the June 30, 2017 deadline.**
